For a limited time get My IT Xpert for \$99!!

Get Your Business Seen Online – Let Us Manage Your Online Ads

Google Engage

People find local businesses with smartphones, computers, Google Search, and Facebook. Even if you are advertising online – clicks don't mean customers. Do you know if your ads are converting prospects into customers? **Let IT Xpress manage your online advertising campaigns!** We'll track your campaign and provide feedback every month, what keywords may help drive more customers to your door, how effective the campaign is, and ensure you are getting the most for your advertising dollar. We are a certified Google Engage agency and also can setup Facebook advertising campaigns and promotions.

Sign up by June 30th and get \$100 in free Google Ads!!

Let Us Build You A Backup Plan!

Computers are your lifeline in small business. The impact of a computer crash can be severe. Have you considered what would happen if your computer was 'down' for a few days? What if you lost your QuickBooks file or customer address list? Let IT Xpress develop a disaster recovery plan for your business. From online backups and cloud storage to dual drive setups that can get you back online after the worst hardware failures. Online backup plans can be found for \$5/month!

How Much Are You Paying for Business Phones?

Tired of paying so much for a plain old telephone line because you are a 'business'? You can get feature rich business phones and service, including Interactive Voice Response, for \$26-\$30/month per line! You could even have an extension at home. Look at your phone bill, then give us a call!
